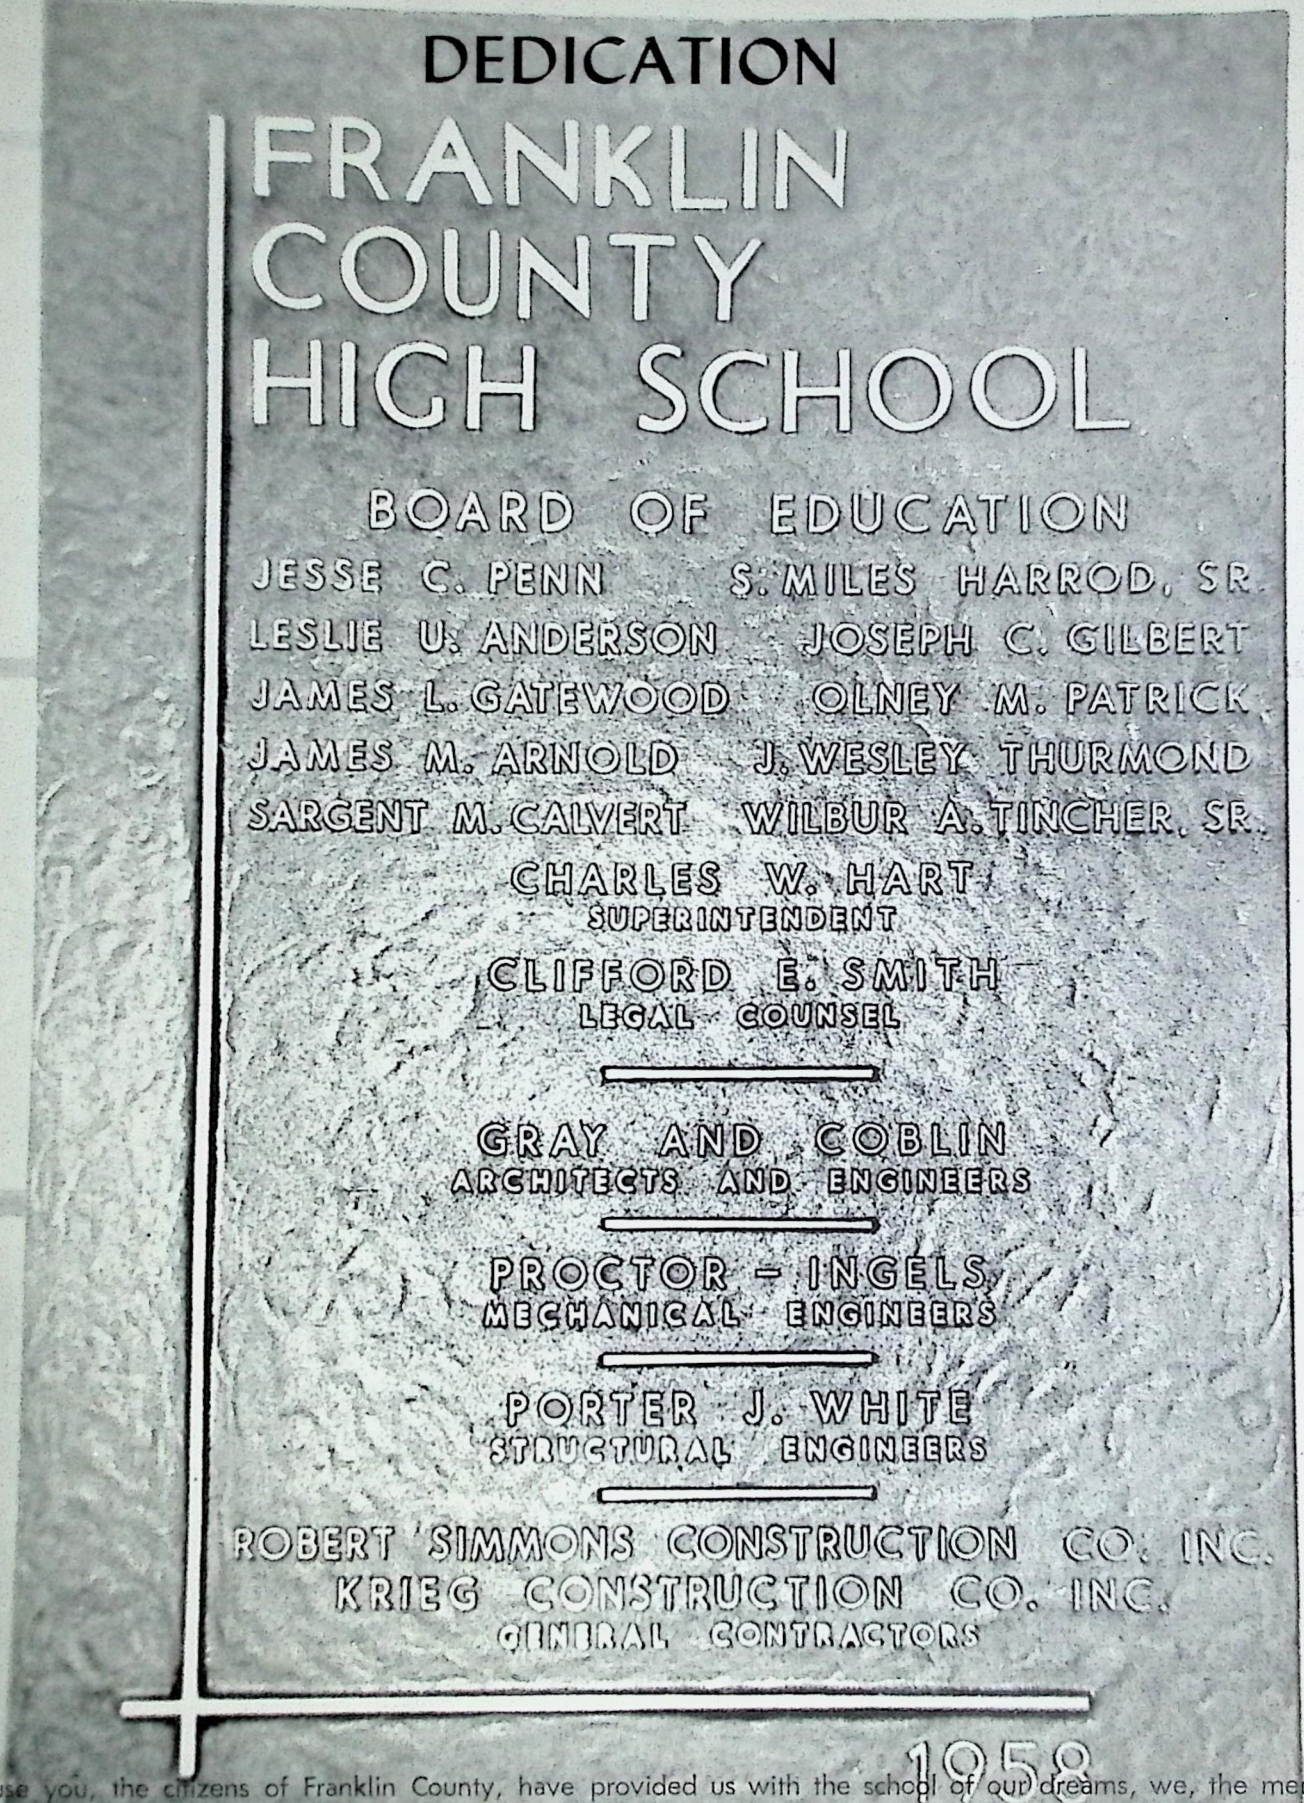
DEDICATION



Because you, the citizens of Franklin County, have provided us with the school of our dreams, we, the members of the first graduating class of Franklin County High School, the Class of '59, do gratefully dedicate this annual to you.

Many of us have attended the four elementary schools in the county. During those years, the prospect of even one term in a modern new high school was the legendary pot of gold at the foot of the rainbow.

If a dream is a wish your heart makes, then this school year of 1958-59 has been a dream come true to the students of Franklin County High. With sincere appreciation and deep gratitude, Mr. and Mrs. Citizen of Franklin County, we dedicate this first Franklin County High Annual to you, for helping us find the end of the rainbow.

FRANKLIN COUNTY HIGH SCHOOL

Office of the Principal

R.F.D. 1

Frankfort, Ky.

PRINCIPAL'S MESSAGE

This has been a year of challenge for all persons connected with the Franklin County High School. The year has provided a unique opportunity for students, teachers, administrators, and parents. Never before in the history of Franklin County has such an opportunity for secondary education existed.

The year has been a rewarding one. The fine cooperation received from teachers, students, and parents has made the administrative load seem lighter and more pleasant. Special recognition should go to the Senior Class for the fine work that they have done toward helping to establish this yearbook and the many programs so vitally needed in a comprehensive high school.

It is my fervent hope that the Franklin County High School will continue to grow in its many fields of endeavor. It is my belief that the people of Franklin County will make this hope a reality.

Clyde L. Fox

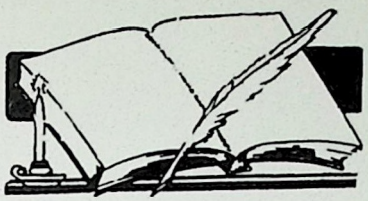
CLASS HISTORY



1958-1959

IN THE BEGINNING WAS A DREAM! It was a dream of a new consolidated high school for Franklin County. That dream is now a reality. We, the first graduating class of FRANKLIN COUNTY HIGH SCHOOL, have had a big part in the realization of that dream.

In one year we have seen this school grow from a mere outer shell of a building to an educational institution which is known and respected throughout the state.

As we recall the past year, we remember being part of many "firsts."

We remember our first football game with Lebanon. The huge turnout was certainly a fine inspiration to the team. And as proof of their gratitude, the hard working gridders responded with a winning score of 22 to 12.

Our first basketball game was equally memorable. Frankfort High defeated Franklin County 40 to 39 in an overtime. The gym was packed with eager fans who hoped to see what will probably become a classic annual rivalry.

We remember our first assembly in the gymnasium. We sat on one side, while the other side was being completed.

We remember enjoying the luxury of the thickly padded chairs in the auditorium when we held our first get-together there.

Who could forget the dedication date! November 30, 1958, when FRANKLIN COUNTY HIGH SCHOOL was officially presented to the community. At that time the newly written school song was played for the public for the first time. Who can say how many people stood to the first sounds of "Blue, White, and Gold?"

We remember our first dances and social affairs, when everyone was too busy getting acquainted to dance.

The first club meetings were held several weeks after school started. Although no one would admit it, we all had the same feeling of "strangeness," but it didn't take long to solve that problem.

These are just a few of the memories of "firsts" that we, the graduating class of 1959, have. There are many more, too numerous to mention, which we shall carry with us in the form of recollections of our last year of high school.

We graduate with mixed emotions. We are sad at leaving something which has become such a big part of our lives, and yet we are elated that we have at last reached the goal for which we set out so long ago.

FRANKLIN COUNTY HIGH SCHOOL will be with us in memory as long as we live. We leave it now, to you, the underclassmen, in the hope that it will mean as much to you as it has to us.

With much pride, and some regret, we relinquish the title of students and assume a new one—that of alumni, the first alumni of FRANKLIN COUNTY HIGH SCHOOL.

THE AVENUE OF TREES

When first we came, your leaves were green and young,
They still were new, as we were, and our school;
Next gold and red, upon your branches, hung,
As we sought wisdom in the autumn cool.
Then soon you lost your leaves upon the ground,
And snow, a blanket on your branches, came,
But, still we studied long, and knowledge found,
'Til finally came the spring, and with it, rain,
And once again your leaves of green, appear.
Now always shall we have fond memories;
And though we may be far—we'll still be near;
We'll not forget the Avenue of Trees.
Though some of us will not come back next year,
And other things will change—you'll still be here.

DON'T KISS HER NOW

Boy, you must be sick, if you don't want a date with her.

If I pass the test I can play in tonight's game.

I'm so happy I passed, I could kiss the test paper.

But I didn't kiss her. I kissed the paper, I tell ya.

I wasn't ashamed of kissing you. It's just that I didn't do it.

I—I guess I have a date after all boys.

I sure am glad you're not mad at me.

MMMMMMMM!

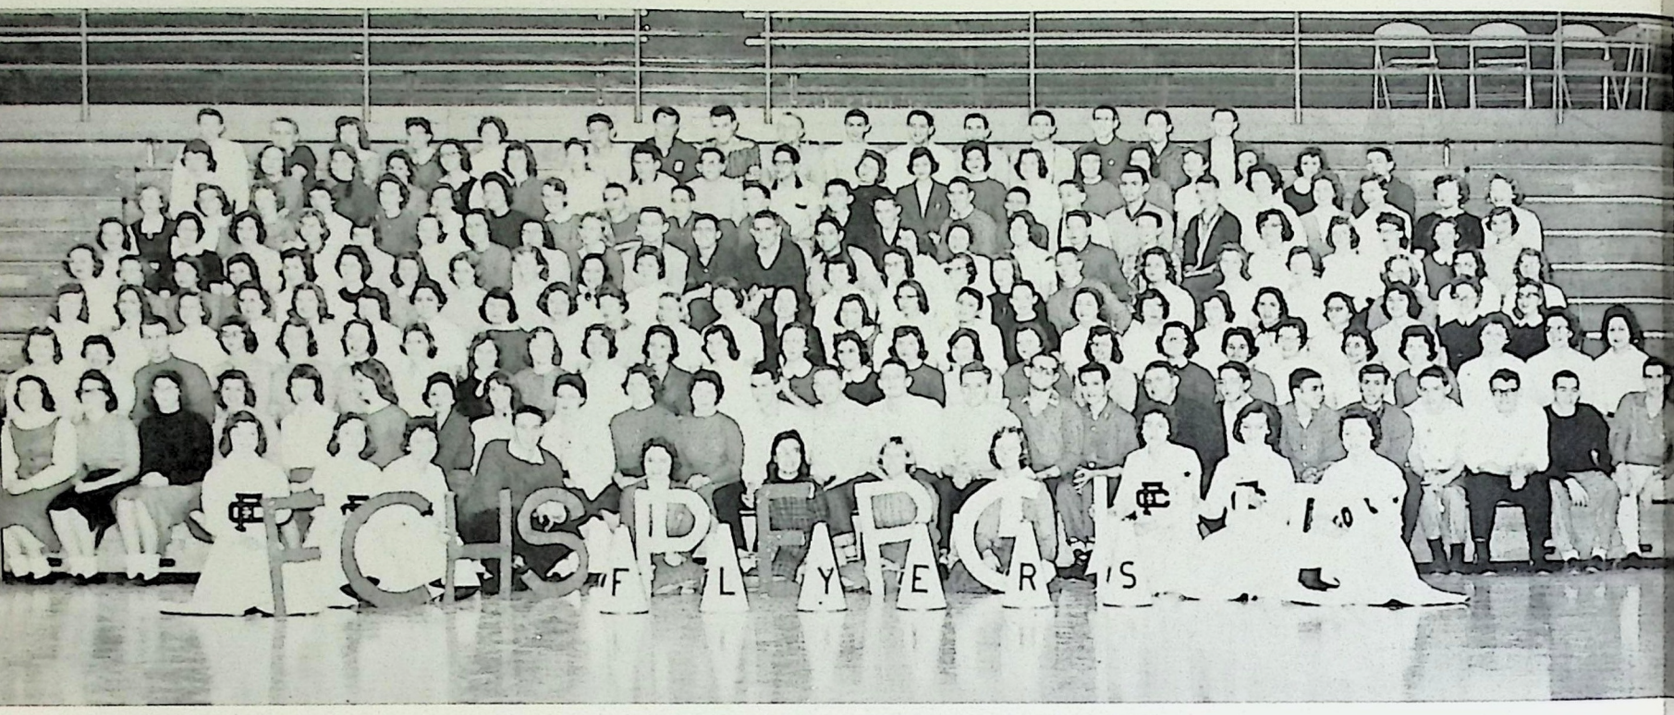
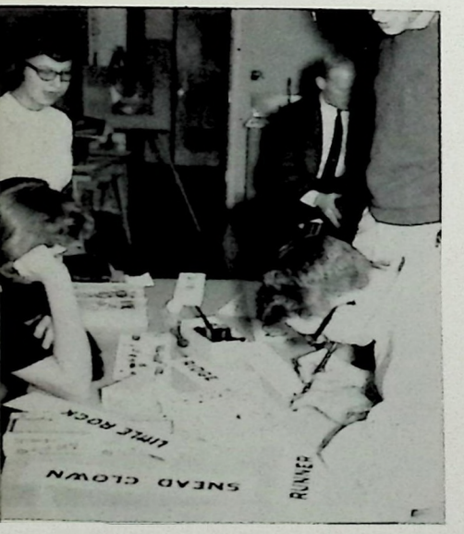
PEP CLUB



The Pep Club is one of the most efficient and best organized clubs at F.C. Its purpose is to keep up the morale of the students and to give aid to any of the athletic clubs when possible. These purposes have been very well carried out by President Leon Schrader, the sponsors, Mrs. Weddington and Mrs. Reynolds, and the club as a whole. For instance, the Pep Club raised money to pay for the entire "B" team cheerleaders' uniforms and helped pay for the "A" team cheerleaders' uniforms. They also purchased megaphones for the cheerleaders and bought the visiting cheerleaders refreshments at the half.

Working hard?



It's a basketball!

Honor Roll: Ann Pacey, Joseph Pruitt, Judy Baker, Susan Nooe, Priscilla Black, Hugh Mobley, Flo Duvall, Ann Switzer, Pat Rice, Lucy Nichols, Charles Sallee, Sharon Armstrong, Bonnie Tincher, Charlotte Nelson, [illegible] Judy [illegible]

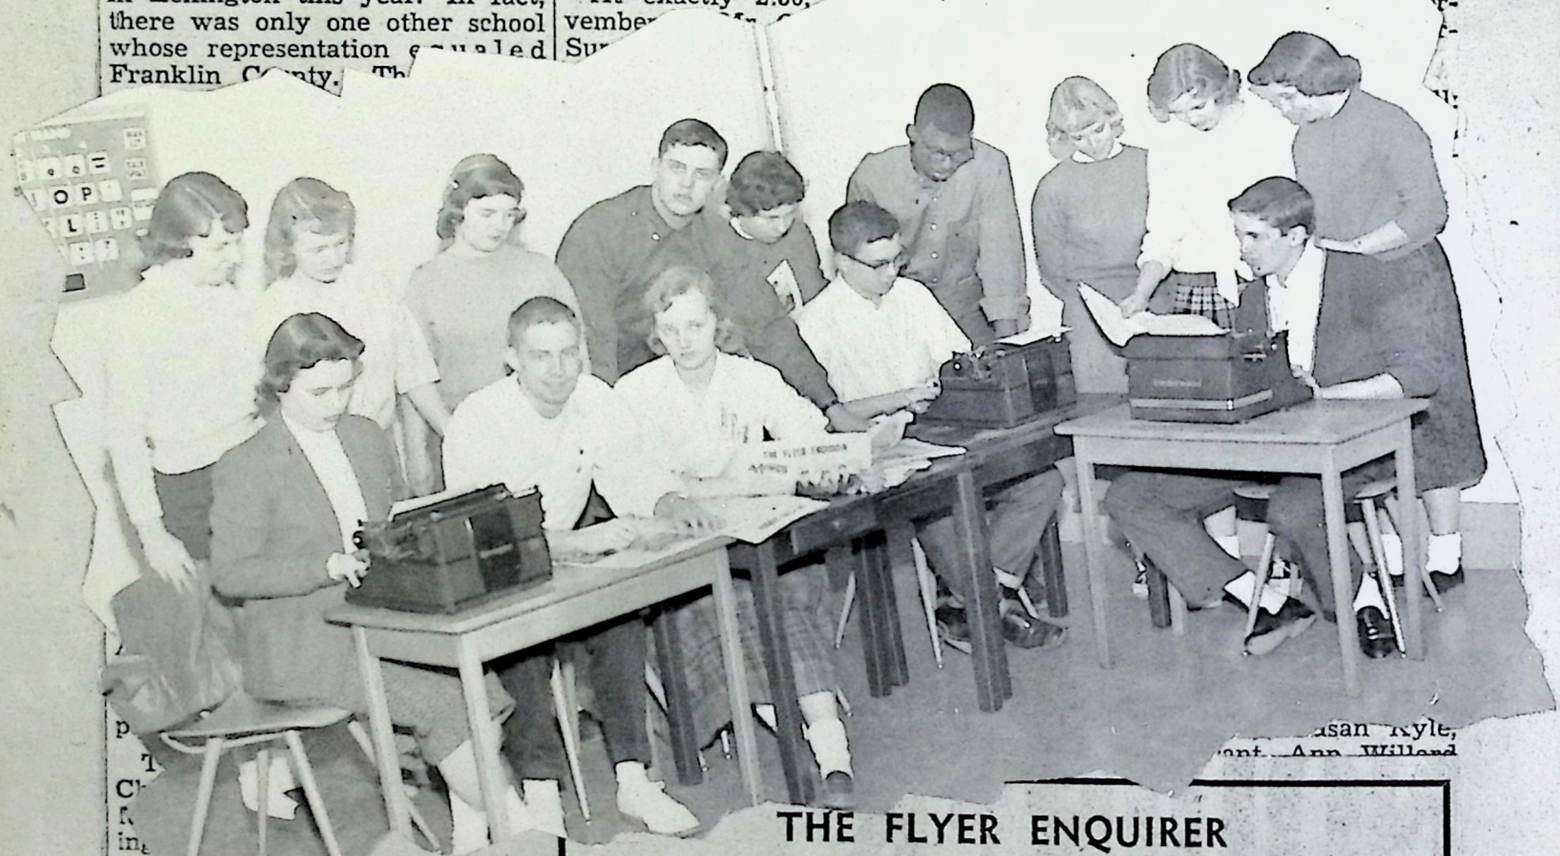
FCHS Singers Tie For Largest Group At All State Chorus

Franklin County had one of the largest representations in the state for All State Chorus held in Lexington this year. In fact, there was only one other school whose representation equaled Franklin County. [illegible]

Open House

By CHARLES BELL

At exactly 2:30, [illegible] vember [illegible] Su[illegible]



[illegible] susan Kyle, [illegible] nt Ann Willard

On their [illegible] ght of All State Chorus this year, the Franklin County group got together and decided that Mrs. Livingston deserved something for all she has gone through in preparing her students for this big event. On the following night they presented her with a lavender orchid to wear to the final performance.

This year the chorus has been privileged to have as a student director Miss Janice Begley, a senior from Eastern State College. Miss Begley has recently received a very high honor among the colleges and universities of America. She was elected by the student body and faculty to represent her school in "Who's Who [illegible] America." Congratulations

FCHS DRAMATICS CLUB

The Dramatics Club was organized for the purpose of furthering the dramatics program at Franklin County High School. Under the leadership of Nancy Southwood, president, and Mrs. Green and Mrs. Weddington, sponsors, the club sponsored three one-act plays, two three-act plays, contestants for regional festivals, helped Music Department with the "Flyer Follies of '59," and had a picnic social during early spring.

IGNORANCE IS UNFASHIONABLE

True today? Certainly!!! But even truer tomorrow. The exciting future belongs to those who do their jobs well . . . with pride . . . who acquire as much KNOWLEDGE and SKILL as they can absorb.

GO TO COLLEGE

Curiosity may once have killed the cat . . . but not any more. In the space age, it's the searcher for answers . . . the curious cat . . . that survives. THIS IS THE CHALLENGE:

LEARN . . . AND LIVE

By 1965 . . . just six years from now . . . there will be about 10 million new jobs in America. All of them will be in trades and occupations requiring trained minds and skilled hands. At the same time there will be a million fewer jobs for unskilled workers. If you want to LIVE, you must MEET THE CHALLENGE . . . LEARN . . . AND LIVE.

CAN'T GO TO COLLEGE?

If you cannot go to college—regardless of the reason—you can . . . you MUST still meet the challenge: LEARN . . . AND LIVE. Remember, most of those 10 million new jobs will require the skill of SOUND PROFESSIONAL BUSINESS TRAINING available to you QUICKLY . . . INEXPENSIVELY . . . on the exclusive TIME-SAVER SCHEDULE by the KNOW-HOW EXPERTS who originated the . . .

IBS SUCCESS COURSE

. . . To Help YOU Meet the Challenge:

LEARN . . . AND LIVE
